

English

Our focus in writing this half term will be describing various characters using expanded noun phrases and writing setting descriptions. We will finish off the term with writing a new chapter to Fantastic Mr Fox that will be planned, written and edited.

We are reading

Reading

We will be using our text to develop our prediction, inference, questioning, summarising and evaluating skills.

Maths

We will be learning how to add and subtract using column method.

We will also be practising our 3 and 4 times tables.

PSHCE

The focus will be on 'My Healthy Self'. The children will learn how to make healthy choices for their physical and mental wellbeing.

Geography

This term, the children will be exploring the rich history of our local city Chichester. This will include it's key human and physical features as well as using and designing their own maps.

Our Local City - Chichester Year 4

Art

This term our focus will be on mastering different art techniques such as various lines, shapes, tone and shading.

Science

Our science topic this term is animals including humans. We will learn about healthy eating including nutrition. We will also look at the difference between animal and human skeletons.

Computing

We will use Kapow this half term for Online Safety. The children will learn how to make safe judgements online on whether something is true or not.

Music

In Music this term, the children will explore the history and style of Rock and Roll music.

RE

Our focus in RE this half-term is exploring the religion of Islam. The children will be looking into 'Why do Muslims call Muhammad the Seal of the Prophets'. During these lessons, the children will make their own spiritual response.
