

English

Our focus in writing this half term will be writing a set of space rules, character and setting descriptions. We will finish of the term with a space adventure story that will be planned, written and edited.

We are reading

Reading

We will be using our text to develop our prediction, inference, questioning, summarising and evaluating skills.

Maths

We will be using our knowledge of fractions so we can add and subtract and partition decimals.

PSHCE

The focus will be on healthy relationships, friendships and online safety as well as personal well being.

History

This term, the children will be studying the history of Space Travel, key moments in the Space Race and famous astronauts both international and homegrown.

Earth and Space Year 5

Art

During the term, we will be studying various pieces of art linked to our Space topic. By the end of the term, we will have created a collagraph and printed a silhouette linking to our Space topic.

Science

We will be studying the topic of Earth and Space. We will learn about our solar system, how the planets rotate around the sun and why we have night and day.

Computing

We will use Kapow this half term to learn how to be safe on the internet.

French

During the half term the children will learn the names of 10 minibeasts (creepy crawlies!)

RE

Children will be looking what it means for Christians if God is loving and holy?
