

Monthly Maths Newsletter – Issue 1

Maths Apps	TTRockstars
	
<p>White Rose is a national scheme which we use to guide our lessons. This is a free app - just download and go! You can choose the level to start on. Search for White Rose 1-Minute Maths.</p>	<p>TTRockstars provides the perfect place to improve Times Tables. Every child has their own unique log-in. Little and often is best! There are weekly challenges against the other classes in school and there are House Points to be gained.</p>
<p>Weekly Maths Challenge</p> <p>Each Monday there will be a new Maths challenge shared in school. There will be two levels of challenge. Children can choose to do either. They can complete these challenges at home or at school and answers can be posted in the Challenge Maths box which will be kept in the hall. Each Friday, we will announce the randomly chosen winner from all the correct answers. There are House Points for the winner as well as being crowned Maths Champion for the week.</p>	
<p>Puzzle at Home</p> <div style="display: flex; justify-content: space-between;"> <div style="width: 45%;"> <p>1 Ron and Eva each make a 3-digit number from these digit cards.</p> <div style="display: flex; justify-content: center; gap: 10px;"> <div style="border: 1px solid black; border-radius: 50%; padding: 5px; width: 30px; text-align: center;">3</div> <div style="border: 1px solid black; border-radius: 50%; padding: 5px; width: 30px; text-align: center;">6</div> <div style="border: 1px solid black; border-radius: 50%; padding: 5px; width: 30px; text-align: center;">8</div> </div> <ul style="list-style-type: none"> • Ron makes the largest even number possible. • Eva makes the smallest odd number possible. <p>What is the difference between their numbers?</p> </div> <div style="width: 45%;"> <p>2 Circle all the fractions that are greater than 1 but less than 2</p> <div style="display: flex; justify-content: center; gap: 20px;"> $\frac{12}{5}$ $\frac{12}{6}$ $\frac{12}{7}$ $\frac{12}{8}$ </div> <p>3 What fraction of this shape is shaded?</p>  <p style="text-align: right; font-size: small;">White</p> </div> </div>
