

MyMaths	Accelerated Reader
	 Accelerated TM Reader
<p>MyMaths is an online learning portal. Your child may at times have homework set on it. On Monday 6th February we will holding an open session for parents wanting more information on how this can be used.. Alongside this you can also find out information about our new online mini-reading tests provided by Accelerated Reader.</p>	<p>Your child has been using Accelerated Reader for a few months now. Do you want to find out more about how it is used and how you can help to inspire your child to read more. On Monday 6th February alongside MyMaths we will answer your questions about Accelerated Reader.</p>
	<p>TTRockstars provides the perfect place to improve Times Tables. Every child has their own unique log-in. Little and often is best! There are House Points to win, either by being the <i>Class Winner</i> over the week based on effort or simply the one with most points correct for the past week. The data is collected every Sunday.</p>
