Dear Parents/Carers,

As part of our World Book Day celebrations, we have organised for each of our classes to visit Waterstones bookshop in town. These visits will take place across two weeks (please see timetable below). All classes are being split into two, smaller groups for their visit so do check when your child is actually going. For example, half of my class will go 9-10am, then the other half will go 11-12am.

Children can bring in money to purchase their own book/s if they wish (the average price of a book is between £7 and £8). The money must be brought into school in a named envelope and handed to their teacher on their arrival. Children who do not have their own money will be able to help choose a book for the class which will remain in school.

Each child will also be given their World Book Day token so that they can use it to purchase a book during their visit.

Waterstones are offering us 10% off of any book purchases made during our school visit.

Thank you for your continued support. Any questions, either speak to myself, or your child's teacher.

Mr Smigielski
