Dear Parents/Carers

On Friday 6th February 2026 we will be celebrating Number's Day to raise money for the NSPCC to support the vital services they provide such as Speak out Stay safe and Childline.

To help us celebrate **Numbers Day**, we would love the children to come to school **dressed as their favourite number!**

This could be as simple or as creative as you like. Some ideas include:

- Wearing a T-shirt with their favourite number on it
- Creating a number hat or badge
- Dressing up as a number block
- Wearing clothes covered in spots, shapes or patterns linked to their number

In return for dressing up, we kindly ask for a small donation to support our Numbers Day fundraising. Donations can be made **via Arbor** under school shop or by **card payment at the school office**. Please do not send cash, as we are a cashless school.

We will be taking part in lots of exciting maths activities throughout the day to explore numbers in fun and practical ways.

Thank you for your support. We can't wait to see all the amazing number costumes.

Kind regards

Maths Team
